

## **POLICY FOR UNAUTHENTIC NEWS CIRCULATION**

We are a small proprietary firm abiding with all the rules & regulations laid down by SEBI for the welfare of the investors and us. As per the CIR/ISD/2011 we understand that is very important to abide by the rule laid down during the inspection.

Proper internal code of conduct & controls are being followed. All transactions are done from the office premises. All the trading terminals are situated in the office. All unverified information and rumours either obtained from clients, industry or any other source, do not get circulated without verification. Internet access is only available to the compliance officer & proprietor. There fore there is no passing of rumours, which can change price discovery mechanism of the market. No SMS is sent to clients or any outsider without permission of the compliance officer.
